TechTrend Innovations Pvt. Ltd.

Acceptable Use Policy

Version 1.0 | March 2026 | Confidential

Purpose

This Acceptable Use Policy (AUP) defines the rules for using company IT resources (computers, laptops, mobile devices, email, internet, networks, cloud services, software, and data) in a responsible, secure, and lawful manner.

Scope

This policy applies to all employees, contractors, interns, consultants, temporary staff, and any third-party personnel who have access to TechTrend Innovations' IT resources or data.

Acceptable Use Guidelines

1. Authorized Use

- Company IT resources are provided for business purposes.
- Limited personal use is permitted if it:
- Does not interfere with work responsibilities
- Does not violate laws or this policy
- Is minimal and occurs outside core working hours when possible

2. Prohibited Activities

The following are strictly prohibited and may result in disciplinary action:

- Accessing, downloading, storing, or distributing illegal, offensive, or inappropriate content (pornography, violence, hate speech, pirated software/media)
- Sending spam, chain letters, phishing emails, or unsolicited commercial messages
- Installing unauthorized software, browser extensions, VPNs, remote access tools, or games without explicit IT/Security approval
- Bypassing security controls (disabling antivirus, changing firewall settings, using proxy/anonymizer sites)
- Using company resources for cryptocurrency mining, torrenting, streaming services, or high-bandwidth personal entertainment
- Sharing company credentials, passwords, or multi-factor authentication tokens with anyone (including family/friends)
- Accessing non-business-related social media, dating sites, gambling platforms, or adult content during working hours

3. Data Protection & Confidentiality

- All company data (client information, source code, financial records, employee PII) is confidential.

- Do not copy, store, or transmit sensitive data to personal devices, unapproved cloud storage (personal Google Drive, Dropbox), USB drives, or email without encryption.

- Immediately report any suspected data loss, unauthorized access, or security incident to security@techtrend.com or the 24/7 hotline: +2349016019654

4. Device & Account Security

- Never leave devices unlocked or unattended.
- Use company-provided multi-factor authentication (MFA) on all accounts.
- Report lost/stolen devices or compromised accounts immediately.
- Do not share company-issued laptops, phones, or accounts with others.

5. Monitoring & Enforcement

- Company reserves the right to monitor, audit, and log all activity on IT resources.
- Violations will be investigated and may result in disciplinary action, up to and including termination of employment/contract, and possible legal consequences.

Acknowledgment

By using company IT resources, you acknowledge that you have read, understood, and agree to comply with this Acceptable Use Policy.
